Impact Assessment**

1. The Environmental Impact Assessment
Proclamation No. 299/ 2002 shall be
applied to the projects listed.
2. The list of projects under this Directive
may be modified by the issuance of
another directive.

**3. The Regional Environmental Agency
may issue additional directive.**

4. Effective Date

This directive shall enter into force as of the----
day of 2008.

Done at Addis Ababa, this ---- day of ----- 2008.
Chairperson of the Environmental Council

Sl. No.	Criteria	Project Types Subject to Environmental Impact Assessment
1.	Mining and processing of minerals	Mine exploration and processing that is subject to federal government permit
2.	<ul style="list-style-type: none"> Dam height more than 15 meter Reservoir storage capacity 3 million mm³ or more More than 10 MW power generation capacity 	Dam and reservoir Construction (Medium and large scale) <ul style="list-style-type: none"> Dam height more than 15 meter or Reservoir storage capacity 3 million mm³ or More than 10 MW power generation capacity
3.	Irrigation Development	Irrigation Development
4.	Highway and Railway construction	Highway and Railway construction
5.	Commercial Fishery	Commercial Fishery
6.	Commercial production of Horticulture/Floriculture in green houses	Commercial production of Horticulture/Floriculture in green houses
7.	Textile Factory	Textile Factory
8.	Tannery	Tannery
9.	Sugar Refinery	Sugar Refinery
10.	Cement Factory	Cement Factory
11.	Commercial forestry	Commercial forestry
12.	Plastic and tyre Factory	Plastic and tyre Factory
13.	Construction of urban and industrial waste disposal facility	Construction of urban and industrial waste disposal facility
14.	Paper Factory	Paper Factory
15.	Fertilizer Factory	Fertilizer Factory
16.	Pesticides Factory	Pesticides Factory
17.	Abattoir Construction	Abattoir Construction
18.	<ul style="list-style-type: none"> Construction of Health Care Institution Special Clinics General Hospital Special Hospital 	Construction of Health Care Institution <ul style="list-style-type: none"> Special Clinics General Hospital Special Hospital
19.	Chemical Factory (Acid, Paint, glass, etc)	Chemical Factory (Acid, Paint, glass, etc)
20.	Pharmaceutical Factory	Pharmaceutical Factory
21.	Any projects planned to be implemented in or near areas designated as environmentally sensitive.	Any projects planned to be implemented in or near areas designated as environmentally sensitive.
22.	Metallurgical factories	Metallurgical factories
23.	Airport construction	Airport construction
24.	Installations for storage of petroleum products with a capacity of 25,000 liters or more.	Installations for storage of petroleum products with a capacity of 25,000 liters or more.
