- *Training milieueffectrapportage*, Hoogheemraadschap Hollandsch Noorderkwartier, Heerhugowaard
- *VNG-Praktijkproeven*: presentaties in samenwerking met de VNG over m.e.r. in de Omgevingswet.
- *Wind op zee en milieueffectrapportage*. College voor master-studenten duurzaamheid, Universiteit Utrecht
- *Windenergie Rijnmond Omgevingsvisies*, sessie bij DCMR, Schiedam

Internationaal

Workshops in het kader van het Shared Resources, Joint Solutions (SRJS) programma in samenwerking met IUCN-NL en WWF-NL (in het Engels)

- Workshop on *reviewing ESIA's for oil developments* (Tilenga, Kingfisher and EACOP) for SICU/CSCO participants, April 2019, IUCN; Kampala, Uganda
- Workshop on *environmental governance*, for technical and political leaders, April 2019, IUCN; Hoima, Uganda
- Workshop on *ESIA for the 'El Espino-Charagua-Boyube' road project*, for local and departmental government representatives and SRJS partners, May 2019 Santa Cruz, IUCN; Santa Cruz, Bolivia
- Workshop *SEA Introduction in the Soalala landscape and SEA coaching for the Ampasindava land use plan*, May 2019, IUCN-NL, Madagascar
- Workshop *SEA for the Lake Rukwa water plan* for Ministry of Water/Lake Rukwa Basin Water Board, June 2019, IUCN-NL, LEAT; Mbeya Tanzania
- Training workshop on *SEA introduction & special focus on SEA for the Artisanal Small-scale Gold Mining sector*, for the Environmental Protection Agency (EPA) and representatives of line ministries and CSOs, July 2019, WWF; Georgetown, Guyana
- Workshop *SEA for the Energy Sector*, for representatives from government agencies, CSOs and consultancies, July 2019, WWF-NL/WWF-Zambia/ZEMA; Lusaka, Zambia
- Training workshop on *SEA*, for the Ministry of Public Works and Communications and staff & other government bodies, Asunción and Carmelo Peralta, October 2019, WWF; Paraguay
- Training workshop on *SEA* for NGOs, October 2019, IUCN; Dawei, Myanmar
- Training workshop *ESIA review for the mining and oil sectors*, November 2019, WWF / IUCN; Georgetown, Guyana
- Workshop on *EIA guidelines for the offshore oil and gas sector*, for NIMOS and SRJS partners in Suriname, November 2019, WWF; Paramaribo, Suriname
- Presentation *Results of the SEA for Zamboanga del Norte*, November 2019, IUCN; Manila, The Philippines
- Workshop *SEA Introduction* for government agencies and CSOs, November 2019, IUCN-NL; Talisay Luzon, The Philippines

Presentaties en workshops internationaal (in het Engels)

- Presentation *NCEA's activities in West Africa*, at NWP Regional Platform meeting West Africa, January 2019, The Hague, The Netherlands
- Various presentations on *NCEA and SEA practices and experiences* at SIDA / NIRAS National SEA alumni seminars, February 2019, in Bangladesh, Cambodia, Mozambique, Myanmar, Rwanda & Uganda.
- Workshop *ESY Mapping* with representatives from various ministries, consultancies, academia and CSO's. Workshop was a co-production with SAIEA. March 2019, Kampala, Uganda
- Workshop *SEA introduction* for BUNEE staff, April 2019, Ouagadougou, Burkina Faso
- Workshop *Review of ESIA's for oil and gas sector* for ZEMA staff, April 2019, Zanzibar City, Zanzibar
- Presentation *Impact Assessment for Coastal Development* at the High Level Egypt-Netherlands Water Panel, April 2019, The Hague, The Netherlands

- Presentation *Environmental Assessment in the Netherlands* for a delegation of Brazilian state Minas Gerais, April 2019, Utrecht, The Netherlands
- Facilitation of two theme fora on *Independence in Impact Assessment* and *Impact Assessment & the Sustainable Development Goals* at the International Association for Impact Assessment (IAIA)-conference, May 2019, Brisbane, Australia
- Presentation *Reflections on Impact Assessment & mining* for UN International Lead & Zinc Study Group, May 2019, Lisbon, Portugal
- Presentation on *SEA for the Hydropower sector* at the World Hydropower Congress, May 2019, Paris, France
- Various presentations on *NCEA's tasks and working process in the Netherlands* for environmental authorities from Zanzibar and mainland Tanzania, June 2019, Utrecht, The Netherlands
- Facilitation two-day seminar on *SEA for urban development* for representatives of several government levels and university, June 2019, Debre Berhan, Ethiopia
- Various presentations and workshops on *SEA introduction and SEA cases* at the national SEA seminar, July 2019, Amman, Jordan
- Presentation *SEA for better reclamation planning* for Chinese delegation - part of the China & Netherlands exchange programme - September 2019, Utrecht, The Netherlands
- Evaluation workshop on *SEA for the Sourou and the link with decentralisation* with representatives of 10 ministries, local government and donors, September 2019, Bamako, Mali
- Presentations and workshop at the international SIFEE conference on 1) *challenges in land rights in an international context*, 2) *land rights in transboundary context, case of the Sourou, Mali* and 3) *harmonisation of EA legislation in the UEMOA*, September 2019, Cotonou, Benin
- Workshop *SEA introduction* for representatives of 8 ministries, September 2019, Conakry, Guinea.
- Training course – in cooperation with the Niger Environmental Assessment Bureau – on *ESIA procedure*, September 2019, Niamey, Niger
- Presentation *Role of the NCEA in Egypt - Dutch Cooperation* at the High Level Water Panel Water Week, October 2019, Cairo, Egypt
- Introduction *NCEA's work en ESIA for ports: the good, the bad, and the ugly* for European export credit agencies, October 2019, The Hague, The Netherlands
- Presentation *The Sourou, a branch of the Volta river in Burkina Faso and Mali: linking spatial planning, Strategic Environmental Assessment and transboundary water management*, Hydro-Hegemony 10 conference, October 2019, The Hague, The Netherlands
- Workshop *ESY Mapping* with representatives from various ministries, consultancies, academia and CSO's. October 2019, Conakry, Guinea
- Workshop *Complying with IFC performance standards for investments in floriculture sector* for Amhara regional state Environmental Bureau, October 2019, Bahir Dar, Ethiopia
- Workshop *ESY Mapping* with representatives from various ministries, consultancies, academia and CSO's. Workshop was a co-production with SAIEA. November 2019, Amman, Jordan
- Presentation *The NCEA and ESIA / SEA for mainstreaming NDC* – for representatives of the donor community, November 2019, Bamako, Mali
- Workshop *SEA for offshore oil and gas development* for representatives of various ministries, November 2019, Naypaydaw, Myanmar
- Presentations *IA and Mining & case of the SEA for Lao Mining*, November 2019, Belo Horizonte / Brasilia, Brazil
